

NMDI 2014 Report

The NMDI Annual Report for 2013-2014 is now available! Click [here](#) to access it. Highlights include an increase in A1c screenings and diabetes education referrals!

November is Diabetes Month

November is American Diabetes Month. The month is dedicated to raising awareness about diabetes and how people are affected by the chronic condition. NMDI has toolkits available! Contact Amanda at (231) 935-9227 or awoods@mhc.net to request your kit.

Check out the week long display during Diabetes Month at the Munson Medical Center Cafeteria November 9th-15th!
